R.E. COMPONENTS PVT. LTD.

QUALITY POLICY

Quality is the Foundation of Everything We Do

At R. E. Components Pvt. Ltd., we are committed to manufacturing world-class steering, suspension, axle and precision-engineered components that consistently meet or exceed customer, statutory, regulatory and applicable industry requirements.

WE ACHIEVE THIS COMMITMENT BY:

DELIVERING DEFECT-FREE PRODUCTS
through robust manufacturing processes, advanced technology and effective quality management systems.

ENSURING ON-TIME DELIVERY
with optimum cost, reliability and operational excellence.

DRIVING CONTINUAL IMPROVEMENT
through Lean Manufacturing, Six Sigma, SPC, Risk-Based Thinking, Digital Manufacturing and employee involvement.

DEVELOPING COMPETENT PEOPLE
by promoting training, innovation, accountability and a culture of quality at every level.

STRENGTHENING PARTNERSHIPS
with customers and suppliers to achieve sustainable growth and mutual success.

ENHANCING CUSTOMER SATISFACTION
through proactive communication, rapid problem solving and continual performance improvement.

PROTECTING THE ENVIRONMENT
by optimizing resources, reducing waste, conserving energy and promoting sustainable manufacturing practices.

COMPLYING WITH ALL APPLICABLE REQUIREMENTS
statutory, regulatory, customer-specific and Quality Management System requirements.

OUR COMMITMENT

**"QUALITY WITHOUT COMPROMISE,
PRECISION WITHOUT LIMITS,
CUSTOMER SUCCESS THROUGH CONTINUOUS IMPROVEMENT."**
